9840034583

Budhanilkantha-13, Kathmandu

Eager and Energetic Computer Engineering Student exploring the world of Computer Graphics Programming. Willingness to learn, experiment around different ideas. Ability to dynamically adapt to new environment.

Education

Shree Ripumaridini Sainik Secondary School, Bansbari

Grade 10 - Till 2018

Basic Academic Schooling

St. Xavier's Secondary School, Jawalakhel

+2 : 2019 - 2021

Higher Academic in Science (Computer)

Thapathali Campus, Thapathali

2021 - Present

Bachelor's Academic in Computer Engineering

Experience

Team Shireto - Blender 3D Artist

- 3D Modeling, Assembling, Designing
- UV mapping and Shading
- Animation/Image Rendering, Compositing, Geometry Nodes

Hero University - Unreal Engine (1st April - 1st May 2024)

- Basic workflow with Landscape, Foliage, Selection, Modeling Modes
- Familiar with Megascan library and Epic Marketplace for design assets
- Basics of Blueprint construction Script and PCG
- Materials, importing of external assets in FBX format
- Movie Render Queue/Sequencer and Plugins for Water, PCG

Major Projects

MViz - Mathematical Visualization Program (2023)

College OOP Project (C, C++, OpenGL) - [source here](#)

FuimGR - Graphics Renderer (2024)

College Graphics Project (C, C++, OpenGL) - [source here](#)

Key Skills

Blender

- Modeling, Shading, UV, Compositing, Animation, Geometry Nodes

Unreal Engine

- Landscape, Megascan, Blueprint, PCG, Materials, Movie Render Queue

OpenGL/GLFW/GLAD/GLM

- Input, Text (freetype), GLSL, Vertex Buffers, Makefile

Unity

- Level/Landscape Design
- Game Logic Scripting/Programming
- Familiar with Scriptable Objects/Singletons concepts

Web-development

- Understanding of HTML, CSS, JS
- Familiar with Reactjs, Tailwindcss
- Basic idea about Node.js, Next.js, Express, vercel

Python

- Basics of cv2, easyocr, tesseract for image processing
- Automation using Selenium, BeautifulSoup, Webdriver

Programming Languages

- C/C++
- C#
- Python

Hobbies

- Cooking
- Card Games
- Stock Trading

Other Skills

- Graphics Design (Figma)
- Problem Solving
- Troubleshooting Computer
